

COMMANDER DESTROYER SQUADRON FIVE

CAPTAIN CHARLES A. GUTHRIE

From time to time during the cruise ROBISON was honored to have Destroyer Squadron Five Commander, Charles A. Guthrie, and his staff aboard. Commodore Guthrie's career began during the Second World War where he participated in the Normandy Invasion and has since focused on the Destroyer Navy where he has commanded two ships and a division of destroyers before his present squadron. Commodore Guthrie and his staff have easily fit into the life stream of the ROBISON during their stay on board.
