

COOK-OUT'S

The ship had two outstanding Cook-outs while in WESTPAC. With the Commissarymen, Stewardsmates, and Messcooks working together, the crew was able to enjoy sizzling, charcoal broiled steaks, franks, and hamburgers, cooked on grills which were fashioned by R-Division. The steaks, dogs, and burgers along with salads, baked beans, relishes, cakes, cookies and iced cold drinks made for a real treat while on station in the Gulf of Tonkin.
